Night Shelter Advocate - Shift Lead

Description:

City Care recognizes that safe, low-barrier shelter for those hoping for a better life for themselves and their loved ones is essential. The Night Shelter opened for people experiencing homelessness on April 6, 2021. We provide a low-barrier on-ramp toward housing by offering a safe, clean bed for our guests each night with access to caring and professional staff. To advocate is to speak in favor of another and we believe that our best advocate role is lived out by being in relationship with those who are working hard to believe in a bright future for themselves.

City Care is searching for the right person with a knack for seeing great potential in others and working as part of a team with the shared goal of motivating change toward that potential. This Advocate will understand the complexity of the intersection of poverty, homelessness, mental illness and substance use for our neighbors experiencing unsheltered homelessness. This Advocate will be well-equipped to lead a team of gritty advocates with vision, perseverance and attention to safety details in our Night Shelter serving families, single women and men on both the evening and morning shifts.
